FDI 2013 Istanbul has led to some careful reflections on a phrase to encapsulate what the location means for learning, for business and for hospitality. The one that FDI and local partner the Turkish Dental Association chose, ‘Bridging Continents for Global Oral Health’, precisely highlights the opportunities from both congress and venue for dental practitioners, auxiliaries, manufacturers of dental and oral health equipment and products, dental service industries such as insurance and national governments.

The World Dental Exhibition has been an integral part of the FDI Annual World Dental Congress ever since 1929, when an Oral Health Exhibition first took place in association with the 23rd FDI Annual Session in Utrecht (Netherlands). Why? Simple! In the absence of dental supermarkets or other retail outlets, where else but at a dental exhibition can the dental practitioner and dental auxiliary find and examine the latest in technology and products to recommend to patients?

With enviable figures for economic performance, a rapidly growing dental sector and an unparalleled position spanning Europe, the Mediterranean and the entire Middle East, Turkey makes business sense. Getting there is no problem: the superb facilities at the newly refurbished airport today make it a major international hub between, on the one hand, the Americas and Europe, and Russia, the Caucasus and the countries of South and South East Asia.

A brand new convention centre for our event overlooking the Bosphorus, a wide choice of hotels and other accommodation, a warm, sunny climate, especially in late August, a hospitable local population and superb local cuisine and entertainment and the picture complete the picture of a truly top-level venue.

Istanbul’s location—where the continents meet—and traditions of tolerance and respect also make it ideal for an FDI Annual World Dental Congress. It is a place to share views and launch debate among a wide and diverse dental community and, together, devise strategies for the most pressing issues of oral health and public health, from educational reforms to policy and funding.

We are very much gratified by the support and encouragement received at the highest national and local political levels. It is a guarantor of success.

FDI and TDA share a common perception as to what constitutes a truly international event with strong local flavour and the kind of program to satisfy the high demands of delegates from far overseas, from neighbouring countries and from Turkey itself. The scientific program is worthy of the high ambition of FDI 2013 Istanbul to be the ‘must-attend’ dental event of the year, a reflection of the enthusiasm that has grown exponentially since its official launch in April 2012.

Dr. Orlando Monteiro da Silva
President, FDI
I feel great honour and enthusiasm in inviting you to the 101st congress of FDI, the World Dental Federation, which unites approximately 200 national dental associations and expert groups between 28-31 August 2013. We are all very excited to host the AWDC in İstanbul and our colleagues from all over the world, in our city, where civilizations, continents and cultures meet.

The Annual World Dental Congress of FDI, being one of the most prestigious organizations of dental profession, has the capacity of uniting international dental trade, industrial companies and professionals of over 100 countries. As Turkish Dental Association, we are committed to organize a successful FDI AWDC, as we used to in the past and we believe that we will achieve all our goals, as FDI, in İstanbul.

We believe that İstanbul deserves your interest as the city which has something to offer for everyone and you will often be surprised and each of you will discover your “own” İstanbul. Nobody can be the same after visiting İstanbul, a city which has been the capital of Eastern Roman Empire for more than a thousands years and nowadays the cultural, trade and financial capital of modern Türkiye.

İstanbul which is bridging religions, cultures and ideas from east to west, from west to east, now with this occasion unites global oral health in August 2013.

I cordially invite you to İstanbul, the mysterious city of the Silk Road to experience unforgettable moments. Visiting İstanbul changes everybody…

100th year of Scientific Dentistry in Turkey was celebrated in 2008.

Dental sector in Turkey is quite strong, embodying over 100,000 dental workers including dentists, dental technicians, academic personnel and dental industry.

2,250 newly graduate dentists join the community each year after completing a 5 year full time education at the 44 dental faculties in Turkey.

24,203 dentists are actively practising dentistry in Turkey, of which 42% are female and 58% are male. 65% of dentists in Turkey are working in private practices. Patients find the chance to benefit from the latest technological products in new private practices and dental clinics.

35% of dentists in Turkey are currently working in governmental clinics, 65% in the private sector. Average monthly income of dentists working in the governmental clinics is around EUR 2,500. This amount approaches to EUR 4,000 in the private sector.

Access to dental and oral health services in Turkey is unfortunately under the average of OECD members. Turkish Dental Association has come a long way in increasing the health literacy in Turkey by organizing educational events since its foundation in 1986.

In the early 2000s, access to dental clinics was 0,7 access/year. This ratio is now 1,5. The usage of toothpaste/toothbrush per year was around 50 grams / 0,25 per person in the 80s, however the current usage is 130 grams / 0,97.

Turkish people's access to dental therapies and aesthetical dentistry has increased significantly in the last decade.

There are currently 50 corporations in Turkey manufacturing consumable products and dental equipment. 300 dental warehouses are in practice to supply dental products to dentists and dental technicians.

Yearly turnover of dental equipments and products is around 200 million EUROs.

The growth rate of dental industry is 10% since 2010.
The FDI World Dental Federation represents approximately 200 national dental associations and specialist groups. Our vision is leading the world to optimal oral health, acknowledging oral health is a fundamental part of general health and well being. Our vision is brought to life through being the global voice for oral health, and delivering excellence in oral health policy and promotion; continuing professional education; and access to care. For more information about our activities, visit www.fdicongress.org.

The FDI’s Annual World Dental Congress is always a unique opportunity to meet leaders of the dental profession from more than one hundred countries, as well as top personalities of the international and national trade and industry. It is also a proven platform for global education, communication and development. FDI 2013 aims to provide all its visitors with the facilities and support to make this a truly productive and memorable experience, now at a unique location: Istanbul.

This Prospectus presents you with numerous opportunities to maximise your visibility and to participate by either exhibiting or promoting. As you read you will discover a wonderful venue to match your own company’s expectations, coupled with all the information required to assist you in your preparation.

The Annual World Dental Congress and Exhibition is fully supported by the IDM, the International Dental Manufacturers, the FDI’s natural counterpart and partner on the world level.

Destination Istanbul

Located at the junction of Europe & Asia, Istanbul is a superb venue for meetings and events. Istanbul offers a vast variety of first class hotel accommodation and conference facilities, easy access to major cities worldwide, beautiful settings and unique sightseeing destinations. Among European Centers, Istanbul is an ideal destination: exotic but conveniently close by. Istanbul, the commercial and business center of Turkey, embraces two continents: Europe and Asia. The ancient city’s unique combination of historical sights and excellent conference facilities make it an ideal destination for prolific and stimulating congresses and meetings.

Visitor Information

Climate and Clothing
Daytime temperatures in August are in the range of 26-30°C and evening temperatures are 20-24°C. You may encounter rain, and the air may be cool or even chilly at night, but comfortable during the day; bring a warm jacket or a sweater and windbreaker.

Currency and Exchange
The Turkish currency is Turkish Lira (TL). Foreign money can be exchanged at banks on business days (09.00 - 17.00 Monday-Friday) as well as in hotels, at the airport and in exchange offices. All major credit cards are accepted in most hotels, restaurants and shops. Automated bank machines are available at many points throughout the city and at the airport.

Electricity
The electrical power supply in Turkey is 220 volts. Outlets are standard European.

Language
The official language of the congress is English. Turkish translation will be provided for selected sessions.

Restaurants and Turkish Cuisine
There is a wide choice of restaurants in Istanbul offering a broad spectrum ranging from excellent national cuisine to first class international dishes. Traditional Turkish cuisine is famous for its specialties prepared with fresh vegetables. There are numerous quality restaurants as well as fast-food shops in the vicinity of the hotels reserved for this meeting.

Shopping
One of the most enjoyable parts of a trip to Turkey is shopping for the rich variety of Turkish crafts. Istanbul is a shopping paradise with its Covered Bazaar as well as modern malls. In the Covered Bazaar bargaining over the sale price with shop traders is expected.

Time
Turkey is 2 hours ahead of Greenwich Mean Time (GMT).

Tipping
Although service charge is included in most restaurants, leaving a tip at one’s own discretion is appreciated.

Visa
Participants are requested to check with the Turkish Consulate in their home country or with their travel agency or at www.mfa.gov.tr for visa requirements. Entry visa to Turkey can also be obtained at Istanbul Ataturk Airport for a vast number of countries.
Destination Istanbul

Turkish Airlines, awarded the Best Airline of Europe 2 years in a row (2011 & 2012) offers direct flights from all over the world with reasonable prices. Star Alliance Member airlines (including Turkish Airlines) offer a 20% discount on airfare tickets to Istanbul during FDI 2013. Please follow the announcements on the congress webpage to benefit from such discounts.

Istanbul hosts 2 international airports; Istanbul Ataturk International Airport (code: IST) is located on the European side and receives 20 million passengers in a year. Major airlines have direct flights from all over Europe to Istanbul Ataturk Airport several times everyday. The newer international airport is located in the Asian part of Istanbul; Istanbul Sabiha Gokcen Airport (Code: SAW). To gain more information on flights to both airports, please check their websites:

Istanbul Ataturk International Airport  www.ataturkairport.com
Istanbul Sabiha Gokcen International Airport www.sgairport.com

Save up to 20% on travel with the Star Alliance™ Network

The Star Alliance member airlines are pleased to be appointed as the Official Airline Network for FDI 2013. Please check the congress webpage (www.fdi2013istanbul.org) to learn how to benefit from this offer.

Travel within Istanbul

Public airport shuttle buses (HAVAS) run between the airport and the city center (Taksim Square) from 4.00 a.m. to 12.00 p.m. every half hour for an approximate fee of Euro 5-6 per person (to be paid on the bus in Turkish Lira). It takes about 30 - 45 min from airport to the city centre. Taksim Square is 3-7 min by walking from the main congress hotels. Transportation within the city centre is by bus or by taxi. All taxis have taximeters, and the rates are reasonable. The cost of transfer by taxi from Istanbul Ataturk Airport to Taksim Square should cost app. Euro 20.- to be paid in Turkish Liras.

The quickest and comfortable way to cross Bosphorus, the water channel between Asia and Europe, could be considered as taking public boats which depart from Besiktas, Eminonu, Karakoy on the European Side and Kadikoy, Uskudar, Bostanci on the Asian Side. Please refer to the hotel consierge or the staff at the convention center for more information while planning your trip within the city.

Terms and Conditions

These terms and conditions are an integral part of any contractual agreement between the Organizers and the Contractor within the scope of the 2013 FDI Annual World Dental Congress. Upon the rendering of services by the Organizers the Contractor confirms and accepts these terms and conditions, in addition to the ones specified by the Organizers on application forms and/or contracts and the Technical Manual.

Definitions

“Congress” – the 2013 FDI Annual World Dental Congress, including the exhibition and any meetings or events run by the FDI World Dental Federation in conjunction with the Congress.

“Venue” – any congress facility, exhibition hall, hotel, restaurant or other such building, and in particular the premises where the 2013 FDI Annual World Dental Congress takes place and anywhere within the precincts of such location under the control of the organizers for the purposes and duration of the congress.

“Organizers” – the FDI World Dental Federation, the Turkish Dental Association and the officially appointed Exhibition Management Company K2 Conference and Event management and their employees.

“Contractor” – any organization or individual who engages in a sponsorship agreement consisting of, but not limited to, exhibiting, advertising and/or sponsoring in relation to the 2013 FDI Annual World Dental Congress, and shall include their employees, suppliers and agents.

“Exhibitor” – a Contractor, who opts for the purchase of exhibition floor space (both including and excluding shell scheme) only.

“Sponsor” – a Contractor, who purchases at least one sponsorship option, besides or instead of purchasing exhibition floor space.

“Exhibition & sponsorship prospectus” – the document announcing all sponsorship opportunities offered within the frame of the Congress.

“Technical Manual” – the document, which includes all detailed information pertaining to the realization of the exhibition (i.e. dates, onsite regulations, material order forms etc.).

Application to Participate

Applications to participate in the Congress as a Sponsor or Exhibitor will only be considered if submitted on the appropriate forms, duly completed and with an legally authorized signature. The Organizers will respond to all applications in writing, in order to confirm or reject the application. Only a written confirmation by the Organizers will be considered valid.

Please use the sponsorship and exhibition application form to place your request. The application is binding upon the Contractor’s signature.

The Organizers will either confirm the booking and issue an invoice with the signed confirmation letter or reject the application within six (6) weeks after the application has been received. The Organizers endeavor to meet the Contractor’s request wherever possible, however, cannot guarantee that the Contractor’s selected options will be met.

In case the Contractor is not able to meet the request of the Contractor, they will try to offer an alternative. In this case, the confirmation letter will contain the alternative suggestion. Upon receipt of this confirmation the Contractor has ten (10) working days to object, except when it concerns the allocation of exhibition space, which is under competence of the Organizers at any time. If no such objection is registered within the allotted time, the booking is considered confirmed with the changes. The Organizers have the right to accept or reject any application.

Principles

A confirmed application implies full acceptance by the Contractor of the terms and conditions produced by the Organizers. Any infringement of these regulations may lead to immediate withdrawal of the right to participate in the Congress without compensation or refund.

The Organizers may add to or alter the foregoing terms and conditions at their sole discretion, if they deem so desirable for the proper conduct and successful outcome of the Congress, and the Organizers will not be held liable for any damages or expenses incurred.

In the event of a disagreement between the Organizers and the Contractor, the Organizers have the sole and final right to decide how matters shall be handled.

In case of absolute necessity and/or for reasons beyond their control, the Organizers retain the right to change the Venue without prior notification.

It is the Contractor’s responsibility to comply with the local authorities’ regulations, as well as with regulations of the Venue. Also, if and when applicable, it is the Contractor’s responsibility to comply with international regulations of appropriate organizations, such as IFMPA, IPCAA, EUCOMED e.a.

In all cases, the Contractor is solely responsible for ensuring that his promotional activities during the Congress are legally and ethically acceptable in the Venue, city and country of performance.

The Organizers reserve the sole right to decide who will be admitted and to which areas and at what times. The Organizers have the full authority to deny admittance to or expel any person from the Venue.

The Contractor understands and acknowledges that any expenses incurred by the Contractor in connection with the Congress are the sole responsibility of the Contractor, even in the event of cancellation by either party.

The use of the Organizers’ name (in full or as abbreviation) and its logos is strictly forbidden in publicity, advertising, sign, product, printed matter, film, video, other media, etc. without the explicit permission, in writing, of the Organizers. The Contractor may only refer to the meeting with its official complete name as it is published in the official congress publications. The contractor may use a hyperlink to the congress website from their own company website. For any other official (audio)-visual or textual references to the Congress, the Contractor has to submit a request for permission to the Organizers.

Smoking is not permitted in the Venue or any other area under the control of the Organizers.

Participants under the age of 16 and animals are not permitted in the exhibition, without specific approval in writing by the Organizers.

The contractor undertakes not to disclose to any third party, other than to its professional advisers, or as required by law, or as agreed by the Organizers, any confidential information relating to the Congress, the Organizers or the Venue.

Both the Contractor and the Organizers shall ensure the general protection of personal data, which is defined by the data protection rules and regulations of the country in which the Venue is located. In particular, the contractor undertakes that any data provided by the Organizers or generated in connection with the Congress will only be used for the specific purposes outlined and that it will obtain similar undertakings in regard to any such data passed to sub-contractors.
Terms and Conditions

Liability Insurance

The Contractor indemnifies the Organizers of any liability for any damage, loss or destruction caused to equipment, goods or property belonging to the Contractor. Furthermore, the Contractor agrees to be responsible for his property and person, and for the property and persons of his employees, agents, and sub-contractors, and for any third party visiting the exhibition space rented by the Contractor. It is mandatory for The Contractor to purchase sufficient insurance policies offered by the Organizers to cover any claims in relation to events described here above, and in general to indemnify the Organizers from such claims.

Exhibition

Detailed regulations and guidelines concerning the exhibition will be actualised in the Technical Manual. Participation by the Contractor is dependent upon compliance with all rules, regulations and guidelines stated herein.

The Organizers have the final decision as to the acceptability of displays (i.e. exhibition stands, booths, e.a.) and the Contractor will submit the display design plans to the Organizers for written approval.

Exhibitors are not to share with others any space allocated to them without prior written consent by the Organizers.

The use of hazardous products and materials, such as for example lasers, and any special decorations or fittings at the Exhibition requires prior written approval from the Organizers. Application for approval of such use must be submitted to reach the Organizers not later than three months before the Exhibition. Flammable materials are forbidden. Any panels, posters or other forms of display are not allowed outside of the exhibition areas allocated to the Contractor.

The Contractor agrees that a staff member must always be present at the stand during Exhibition opening hours. The Contractor is responsible for the cleaning of their stands, whereas the Organizers ensure daily cleaning of the aisles.

Exhibition space will be confirmed in writing after the receipt of payment.

Exhibition space will be assigned by the Organizers on a ‘first-come, first-served’ basis, whilst respecting the position of the Corporate Partners of FDI, who will be invited to select their sponsorship package first.

Other allocations will be determined according to the date of the exhibition space booking and the date of the receipt of the payment. Special wishes regarding placement of the exhibition space will be given all possible consideration but the Organizers make the final decision.

Any changes in the duration and/or location of the exhibition do not entitle the exhibitor to cancel the agreement or request a refund of rates or to put forward a claim to damages incurred thereby.

The Contractor will be informed of the location of the exhibition space when the exhibition floor plan is sent out. The exhibition floor plan however will remain preliminary and open for changes until the actual set-up. The exhibition floor plan includes the most updated information in regards to the exhibitor’s exhibition floor space. It is the exhibitor’s responsibility to verify such information before set-up.

While every effort is made to preserve the published floor plan of the exhibition, the Organizers shall be entitled to vary the general layout or the allocated space at any time to ensure a harmonious construction of the exhibition. The Organizers will inform the Contractor prior to implementing a change and make every effort to reach a satisfactory solution for both parties, whereby the Contractor is not entitled to any refunds. The Organizers determine the external design of the exhibition as well as of the exhibition space. Therefore, applications can be refused if the stand layout fails to fit in with the exhibition as a whole.

If unforeseen circumstances so warrant, the Organizers reserve the right to postpone the exhibition or transfer it to another site. Even if it is found necessary to close the exhibition or the Congress on any day(s) or to vary the opening hours of the exhibition, the Organizers reserve the right to do so, at their sole discretion without any liability for any expenses incurred other than the rental fee of the exhibition space allocated to the Contractor.

All exhibition space displays (i.e. stand, booth design e.a.) must be approved by the Organizers. The Contractor shall inform the Organizers of the proposed display design and any special requirements within the timeframe outlined in the Technical Manual. An exhibition stand or any other display form can only be set up if the Organizers have approved its design. Therefore the Contractor or its agent must send detailed reference documentation, including blueprints and layout images of the display design and dimensioned drawings. Any changes or additions must be submitted before the deadline given in the Technical Manual and are subject to approval by the Organizers.

At any time the Contractor may be required to show appropriate supporting documents/certificates during the set-up and the exhibition period. In the interest of the harmonious overall of the exhibition, applications can be refused if the exhibit fails to fit in with the exhibition as a whole.

For security reasons and to adhere to regulations stipulated by the Venue, the Organizers will appoint official contractors for all installations (such as electricity, communications, hanging points, mains and fittings), and all ancillary services. During set-up and dismantling periods as well as the actual exhibition, no other contractors will be permitted to undertake any of this work without the prior consent of the Organizers.

The Contractor will be liable for any damage to walls, floors, or ceiling area of the Venue – by nails, screws, oil, and paint or by any other cause whatsoever. The Contractor guarantees to pay for the repair of any damage caused.

When planning activities, the Contractor shall respect the overall scientific character of the Congress. Therefore, should the Organizers consider such activities a disturbance or not in line with the rules and regulations, the Contractor agrees to cease such activities immediately.

Storage space is not guaranteed to be available in the exhibition hall and the Contractor must ensure that all packing materials, including empty crates and cartons, are removed from the premises before the opening of the exhibition. The Organizers reserve the right to order cleaning of a Contractor’s exhibition space at the Contractor’s cost.

The Organizers will provide standard basic security at the Venue, but they cannot accept liability for any loss or damage that may occur. As an additional service, the Contractor can opt for hiring additional security staff through the Organizers to guard its property.

The Organizers will provide Congress name badges, which must be worn at all times by the Contractor and his/her Staff whilst in the Venue and in all other areas within the full control of the Organizers for the duration of the congress.

All appointed stand builders must wear work badges at all times when setting up and dismantling stands.

Guidelines Concerning Laser Devices

The use of laser products at the Exhibition requires prior written approval from the Organizers. Application for approval of such use must be submitted to reach the Organisers not later than three months before the Exhibition.
The following measures must be adopted in all cases where lasers are demonstrated in the Exhibition:

- Appropriate goggles for CO2 lasers must be available for the personnel staffing the stand and for any attendee who will be using the lasers.
- All demonstrations of CO2 lasers must be conducted in clear plastic boxes with all sides enclosed, including the top.
- Appropriate plastic coloured cubicles must be available if any other type of laser is being used, particularly dye and argon lasers.
- No laser equipment may be left unattended in operable condition; and a staff member must always be present at the stand during Exhibition opening hours.

Payment

Payments must be completed in due time. All orders will be confirmed upon receipt of the down payment. If payment is not received in due time, the Contractor’s participation will not be considered, and the Contractor must pay a 10% administrative charge.

Cancellation

The Contractor shall notify the Organizers of any and all booking cancellations in writing. The contractor shall assume responsibility for all costs payable for all items that are part of the booking. The Organizers shall be reimbursed for all expenses in connection with the planning of the congress incurred up to the date of termination and any foreseeable unavoidable costs that might result from the Contractor’s cancellation or from the Contractor’s exhibition and/or sponsorship commitment.

The following cancellation charges apply:

- Organizers shall retain 10% of the agreed sponsorship & exhibition fees if cancellation is made before February 1st, 2013.
- Organizers shall retain 50% of the agreed sponsorship & exhibition fees if cancellation is made between February 1st and April 1st, 2013.
- All cancellations made after April 1st, 2013 are subject to full payment and no refunds will be made.

Should the Contractor fail to appear at the congress and the requested services are no longer required, the Contractor will be obliged to pay the amounts as referred to in the cancellation policies.

Should the contractor desire to offer its space and/or sponsorship items for re-sell to another organization, this can only be accomplished after approval of the new Contractor by the Organizers. After approval of the new Contractor, the original contractor must pay a 10% administrative charge.

The Organizers are entitled to cancel the congress due to reasons beyond their control that prevent or substantially hinder the planned holding of the Congress.

If the Organizers are compelled to cancel the Congress for reasons beyond their control, i.e. without organizing another congress in its place within twelve (12) months of the originally planned date, the contractor is released from its sponsorship obligation. The Organizers shall refund 50% of the payment made by the contractor within six (6) weeks after the decision has been publicly notified. The remainder shall be used by the Organizers for payment of costs incurred.

The Organizers reserve the right to re-schedule the congress in equal terms within a year’s period. In this case the Contractor does not have the right to withdraw from or decrease its sponsorship participation.

If the congress must be cancelled or changed due to unforeseen political and economic events, or under a general “force majeure” clause, the Organizers cannot be held liable for any compensation.

Limitations of Liability

In no case will the Organizers or their employees, agents or suppliers be liable for any indirect, incidental, special or consequential damages to the Contractor and its property, including but not limited to damages for loss of profits, loss of business information, cost related to cancellations or cost of procuring substitute goods or services. The Contractor will purchase sufficient insurance policies for such damages.

The Contractor shall hold harmless the Organizers from any and all damages/claims including those usually covered by a fire and extended coverage policy. The Contractor will purchase sufficient insurance policies for such damages.

The Contractor is liable for all damage to buildings or inventory, which is caused by participants of the event, including visitors, staff and other third parties under contract or otherwise invited or engaged by the Contractor, or by the Contractor in person.

The Organizers assume no liability for any loss, damage or injury to any property or equipment brought in by the Contractor or any of its employees, agents or contractors, whether attributable to accident, fire, theft or any cause whatsoever. The Contractor must ensure to take out adequate insurance with ample coverage as necessary, including public and third party liability coverage, as well as covering loss of or damage to exhibits or other personal properties.

The Organizers shall not be responsible, in whole or in part, for any failure to perform any of the obligations under this booking or for failure to hold the congress as a result of circumstances beyond its reasonable control, including, but not limited to, riot, strike, civil disorder, acts of war, failure of facilities, terrorism, threats of terrorism, communicable disease, earthquake, storm, fire, flood, and other acts of God.

Governing Law

This booking is made and shall be governed under Turkish law. Exclusive jurisdiction and venue of any actions arising out of or relating to or in any way connected to this booking, its negotiation or termination, or the event, will be in the courts of Turkey.
